Re: Application No. 10/031,942 – Status of the application

Dear John Hotaling,

This is in response to the office action which was mailed 10/05/2005.

It is not obvious to me what the status of the application. I have already filed noticed of appeal and appeal brief and paid all the fees, but I don't see the board of patent appeals and interferences considering the application.

Can you please clarify what is the process, and what do I need to do to make the application considered by the appeals board. Can you please answer this immediately, so I can take action before the expiry of the statutory period for answering.

I would like to note that I asked for clarification of the status of the application in my letter of the 27 Dec 2004.

Thanks,

Yehouda HARPAZ
